## MESSOA and AxxonSoft integrated solution raised interests in Partner Training

MESSOA NDF821 Dome Camera was introduced and used for demonstration of the AxxonSoft surveillance video management platform at Regional Partner Training, which took place at AxxonSoft Asia Headquarter in Singapore. The 2-day training program is held monthly for AxxonSoft's... [Read more](#)

## Back from MIPS Moscow, Russia

We would like to all visiting guests for joining us at MIPS. Our successful debut attracted many who have shown great interests in our 2 megapixel 1080p integrated IP solutions. The show allowed us to reach the brand new market of Russia and to make a great leap in grasping this huge market potential.

### Bangkok digs deep into traffic congestion issues with the help from MESSOA

In Bangkok, there are more than 2.6 million vehicles are on the roads daily as drivers have to spend around 22 days each year stuck in the traffic. One of the busiest roads that penetrates the heart of Downtown Bangkok, Vibhavadi Rangsit Highway, is no exception.

The Highway... [Read more](#)
